Dear Parents/Carers

As some of you may know the government provides Primary schools with a ring-fenced budget each year (until 2020) to improve the quality and sustainability of PE and Sport in schools.

As part of our commitment to constant improvement we would like to gauge pupil and parental opinions on PE and sport in school and gain a wider picture of the sporting opportunities that pupils and their families engage in their wider lives beyond school.

We would therefore be very grateful if you and your child could take the time to complete the attached questionnaires. We can then use these to form the basis for our vision on how to ensure that pupils find PE and Sport an enjoyable activity in school and will hopefully encourage them towards a healthy, active lifestyle.

We would like to thank you in advance for your valued feedback and will let you know the results of the questionnaires when they have been collated.

Kind regards  
Mrs C. Chaudry  
Miss F. Pack
