

WELCOME TO THURNHAM!

Playground, castle and other equipment

We have one big playground and you can play with your friends if you want to. I like running.

Year R has one as well. We have a castle to play on but you MUST follow the Castle Rules. It is big and it's got different ways to get up.

The steps are for going up and down and the slide is for JUST down! We have other equipment which are: the climbing wall, the scoreboard and the instruments. In the climbing wall, start at the tree end in a queue.

House points

We have 4 houses: St Georges, St Andrews, St David, St Patrick's.

One person in each house HAS

TO be noted in to be a house captain. If you keep your hat on at playtime or lunchtime, you get a house point, yay! You also get house points for doing amazing

things e.g. being kind, listening well e.t.c. (St Georges's colour is red, St Andrew's colour is blue which is my team, St David's is yellow and St Patrick's is green)

You should wear that colour for Sports Day. House points are given to house captains every week.

Golden stickers

If you do extra amazing work, you get one of Mr James's stickers, so who might make him go now each week? The golden stickers are big and 1 or 2 pupil/pupils get one each week.

I hope you have a great time at Thurnham!
(Remember, the teachers are here to help you.)
