

THURNHAM C.E. INFANT SCHOOL

Headteacher: Mr C K James B.A. (Hons) NPQH

The Landway Bearsted Maidstone Kent ME14 4BL

Telephone: 01622 737685

Please use Espresso to help your child at home. There are many video clips, activities and games on a variety of topics.

Also visit our school website on the children's pages for a gallery of websites suitable for your child.

English

We will be sharing the stories of **Katie Morag**, focussing especially on **Katie Morag and the Two Grandmothers**. We will retell one of the stories and write instructions. We will focus on use of contractions, adjectives and conjunctions to extend sentences, as well as all aspects of punctuation.

Speaking and Listening will be based around our Leavers Service — speaking and performing confidently in front of an audience.

Numbers

Maths

We will work on all aspects of addition, subtraction, multiplication and division, using these to solve problems.

We will then work on practical maths investigations based on logical reasoning and problem solving.

Science

We will carry out several Science Investigations based on Katie Morag —

- What might live in a pond on the Island of Struay?
- What might live in Grandma Mainland's garden?
- What material would make the best tent for the Village show?

We will also carry out an investigation based on our trip to Chatham Dockyards.

DT

- We will plan and make a milkshake for Katie Morag.

Music

- Singing a selection of songs for Leaver's Service.
- Each class will learn a tune on the recorder to perform at the Leavers Service.

History

The children will find out about the history of Chatham Dockyards and will look at the old buildings and ships while we are on our trip. school trip.

PE

Games - Sports Day preparation

Tennis— A tennis coach will teach the children tennis skills once a week and we will have a korfbal taster session

Art

- The children will investigate tone and will create a tonal scale.
- We will use tone to paint or draw a sea picture in the style of Marie Hedderwich and Van Gogh

Geography

The children will look at maps of our journey to Chatham Dockyards and will research our journey, looking at physical and human features which we will pass on our journey.

We will compare the Island of Struay with Bearsted.

Computing

Coding —

- Using terms algorithm and execute in computer programming context
- Creating simple programs and apps
- Debugging programs which do not operate as we intended

PSHE

Rights and Responsibilities

The children will learn about their rights and responsibilities in the wider world.

We will also prepare the children for the transition to their next school and will carry out some joint activities with Roseacre.

RE

- The children will continue to learn about Islam.
- They will go on a whole school visit to Holy Cross Church for Worship.
- They will write prayers for the Leavers Service.
