

## ENGLISH

- Our topic is **Friendship and Understanding**
- We will write statements and questions based on the **Frog and Toad** stories by Arnold Lobel.
- We will visit The Woodland Trust to learn about what plants and animals live there and to make some observation drawings and simple sculptures. We will visit Holy Cross Church in the afternoon.
- Our multicultural reading and writing will be based on the story of **Amazing Grace** by Mary Hoffman. This will include thinking about the characters and retelling the story.
- We will use the grammatical features of statements, questions and exclamations and will look at the past and present tense.
- We will all take part in a Circus Adventure Drama workshop.

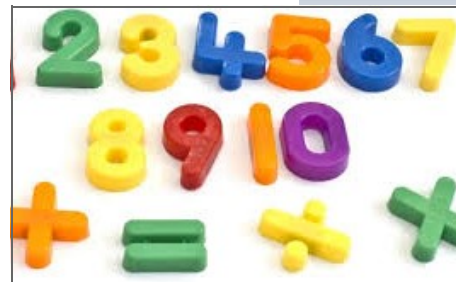

## SCIENCE

- We will learn about the lifecycle of a frog and why they live in ponds.
- We will investigate what lives at the Woodland Trust and why it is a suitable habitat for them.
- We will test suitable materials to make an African mask.
- We will look at how people change as they grow up.

## ART

- We will make observation drawings at the Woodland Trust and will create some simple sculptures.
- We will learn about African art, focussing on colour and patterns.

## MATHS

- Read and write numbers to 100.
- Recognise place value in 2 digit numbers.
- Compare and order numbers to 100.
- Use place value and number facts to solve problems.
- Recall and use addition and subtraction facts to 100.
- Solve problems using addition and subtraction.

## PE

- We will create and perform a superheroes dance.
- We will learn some simple athletics skills.

## Music

- Musical composition using body percussion.
- We will recognise musical notation.
- We will learn to play a tuned instrument—the recorder.
- We will sing Harvest songs using our voices to show emotion.

# Year 2 Curriculum Information Autumn Term 1 2018

## GEOGRAPHY

- We will study our local area.
- We will look at plans, maps and aerial photos of local area before our walk to the Woodland Trust.
- We will create a map with a key, showing the route we walked to the Woodland Trust.

### Creation

- We will learn about the Creation and ask the questions 'Who Made the World?'

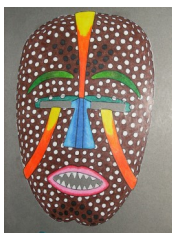

## COMPUTING

### WIDER USES OF TECHNOLOGY

- We will learn about how we use technology outside of school, and how we use it in school.

## DESIGN & TECHNOLOGY

- We will use our knowledge of African art to plan an African mask.
- We will make our mask by creating a background using colourful African patterns.
- We will evaluate our mask, saying what we are proud of and what we think we could have done better.

## PHSE

- We will discuss, write and learn to follow our new class rules and to settle into our new class.
- We will understand that all living things have rights and that all people have a voice.
- We will learn how to protect and take care of our environment.
- We will learn about what is private and how to manage our information online.
