Dear Christopher

I would like to offer our congratulations on your school's achievement outcomes in 2018.

It is very positive to see that the school has sustained high standards at Key Stage 1 which are well above national levels.

The proportion of pupils reaching the expected standard in the Year 1 phonics screening check remains well above average at 95.7%. The proportion of children reaching a good level of development at the end of the Early Years is also above the national average at 82.2%.

We appreciate that these improvements are due to strong leadership, ambition for all children and a sustained effort focused on school improvement. Well done to everybody.

My team and I look forward to working with you, your staff and governing body to ensure good results are sustained during 2019 and beyond.

Yours sincerely
