Music Classes

Year 1 After School Music Club – September 2019

Dear Parent,

The Year 1 after school club Music Club will restart from September this year.

The club will be on a MONDAY, straight after school and will take place in the school music room from 3.05 – 3.45pm.

Each 6-week course will be an enjoyable way to strengthen and expand the children's knowledge of musical concepts, including pitch, tempo, notation, rhythm, composition, performing, musical terms, dance and movement.

The fee will be £30 per child for the 6-week course. (Please send no money now)
The first session will commence on Monday 9th September.

If your child is due to go into Year 1 from September 2019 and you would like them to attend, please reply directly to me at the email below as soon as possible with your child's name and class they are due to change to in September.

Places are allocated on a first come, first served basis. Please note that you can apply each time a session is offered even if your child has attended previous sessions, as the club will run all year. If you are unsuccessful in getting a place for the first session you will be offered the next available session.

Yours faithfully,
Beccy Stroud
