Notes:

- We do not yet know what the national picture will be, this should be given in the Autumn - however last year the national average was 82.5%. We scored 96% last year.
- In Year 1 we had 3 children who scored 30 or 31 (i.e. close to the mark for the standard).
- 18 (20%) pupils achieved full marks.
- Children that do not meet the standard must be reassessed towards the end of Year 2. Of the 4 Summer 2018 Y1 pupils who have been rescreened in this term of Year 2, 3 (75%% of the retakes group) have now met the standard one year on and 1 has not. Therefore 99% of pupils have met the standard by the end of Year 2 in 2019.
