

Thurnham Whole School Progression in Art and Design
through our Empowering Curriculum, 2021 – 2022

Year R	Year 1	Year 2
<p>Following lockdowns in 2020 and 2021, the planning of creative activities will be reactive for this cohort of Year R children. This will enable teachers to address specific gaps in learning and needs that are identified once the children have entered school.</p> <p>ELGs:</p> <p><u>Physical Development (Fine Motor Skills):</u></p> <ul style="list-style-type: none"> ➤ Begin to show accuracy and care when drawing <p><u>Expressive Arts and Design:</u></p> <ul style="list-style-type: none"> ▪ To safely use and explore a variety of materials, tools and techniques ➤ I can construct with a purpose in mind, using a variety of resources. ➤ I can select appropriate resources and adapt my work where necessary ➤ I can understand that different media can be combined to create new effects ➤ I can use simple tools and techniques competently and appropriately 	<p>In Year R, the children’s Art and Design experiences were planned as a part of the specific area of learning, Expressive Art and Design. Learning in this area tends to be largely child initiated, and process driven. As the children move into Year 1, extra opportunities for child initiated art activities will be planned into provision during terms 1 and 2. This will enable the children to experience a varied range of media, and will give them to chance to continue to build on their existing knowledge and skills.</p> <p>National Curriculum</p> <p><u>Art and Design, Key Stage 1</u></p> <ul style="list-style-type: none"> ▪ To use a range of materials creatively to design and make products. ➤ I can create a simple design to plan a product ➤ I can investigate a range of different media ➤ I can use a growing range of tools and techniques competently and appropriately 	<p>In Year 1, due to lockdown the children missed out on Art and Design experiences focusing on colour. Colour mixing with primary colours will be revisited during Year 2, and teachers will be aware that children may be less experienced in this area than they would usually be. Early in Term 1, as a part of the recovery curriculum, the children will use colour as a tool for exploring and sharing their emotions.</p> <p>National Curriculum</p> <p><u>Art and Design, Key Stage 1</u></p> <ul style="list-style-type: none"> ▪ To use a range of materials creatively to design and make products. ➤ I can create a more detailed design to plan a product, stating the materials I will need ➤ I can choose the medium that I feel will be best for what I am doing, and explain why ➤ I can make decisions about the tools and techniques that I will use
