

THURNHAM C.E. INFANT SCHOOL
Action Plan for PE and School Sport Funding 2021-22
September 2021

Background

Thurnham C.E. Infant School is a three-form entry school with a proud sporting tradition. The school will receive £17,830 in School Premium money for the academic year 2021-22. The school will use this money to ensure teaching staff are confident with teaching PE, help class teachers to develop their own planning, oversee assessment and prepare teams and squads for inter and intra school competitions. Sports funding money will also be used to restock sports equipment and fund transportation costs for competition visits. Thurnham believes Physical Education is an essential part of a child's educational development. Developing a balanced programme offering a variety of activities provides students an opportunity to develop acceptable fitness levels, a broad spectrum of skills and the knowledge necessary to use those skills for a lifetime of active participation. Positive participation in physical education will leave students with a legacy of success facilitating an active lifestyle.

The funding is provided by the government to ensure impact against the following objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools. With this in mind, we looked at improvement against the following five key indicators:

1. The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Sustainability and suggested next steps as well as any achievements will be added as the year progresses.
